THE SCIENCE OF BEAUTY

BEAUTY THERAPY + LASER + MICRODERMABRASION

SHB50115 DIPLOMA OF BEAUTY THERAPY

This course combines the SHB50115 Diploma of Beauty Therapy with units in microdermabrasion and laser hair reduction. These skills provide you with an opportunity to work in a more advanced salon/clinic providing a range of traditional and modern beauty services.

It is an ideal stepping stone for someone wanting to advance their career beyond beauty to enter the field of dermal therapies and cosmetic science.

COURSE HIGHLIGHTS

- Learn how to perform laser hair reduction treatments to allow you to apply for your WA Laser Licence Exemption for Laser Hair Reduction.
- Learn how to perform advanced beauty modalities including microdermabrasion and advanced facials (sonophoresis, microcurrent and iontophoresis).
- Learn how to perform advanced body electrical treatments including galvanic and high frequency.
- Learn a range of beauty services including makeup, manicures, pedicures, waxing, tinting, aroma therapy and holistic massage.
- Learn essential salon business skills such as social media and retail/product sales.
- Scholarship opportunities into the 52854WA Graduate Diploma of Dermal Science or 10788NAT Diploma of Personal Care Formulation (provided by our partner college, the Australasian Academy of Cosmetic Dermal Science).
